From the Principal's Desk

The inception of Tinsukia College in the year 1956 was the result of the strenuous efforts of citizens of Tinsukia who mobilized all required resources to give rise to the great institution. The college who has completed sixty-nine years of its glorious existence is a premier institution of higher education in the North East part of Assam catering the needs of higher education not only to the citizens of Assam but also the adjoining districts of Arunachal Pradesh. The college has made a rapid stride on the merit of its students, the dedication of the faculties and the vision of the principals. An institution which initiated its academic journey with handful of students and four faculty members has now grown into a huge family with an enrolment of more than 4,000 students and around 80 faculties contributing to the growth of this premier institution of higher education. This co-ed institution has been imparting education at all levels of education i.e. Higher Secondary, Degree & Master level respectively in 5 faculties of Arts, Science, Commerce, Management and Computer Science. Currently, the college has altogether 19 teaching departments at UG level, 4 departments at Master degree levels Viz.- M. Com, M. Sc in Mathematics, M. Sc. in Chemistry and M. Sc in Computer Science. Besides, it provides two Professional Degree courses, Viz.- BBA and BCA. The college has a study centre of Krishna Kanta Handiqui State Open University (KKHSOU) which offers several UG, PG, Diploma and Certificate programmes.

The College has State of Arts infrastructure to support the holistic development of the students. It has taken initiative to make the entire teaching learning process, students centric and interactive with the help of smart class rooms. The entire admission process is fully computerized which is beneficial to all stakeholders.

We hope that Tinsukia College will rise up to the expectation of all and make us all proud as stakeholder of this great institution.

Dr. Bhairab Borgohain
Principal

Tinsukia College-A Profile

The inception of Tinsukia College in the year 1956 was the result of the strenuous efforts of Late B. K. Saraswatji who mobilized all required resources with the help of likeminded citizens of Tinsukia, a part of the then Lakhimpur District to give rise to this great institution. Without their support and patronage, the college would never have come into being. Before the college came to be located in the present premises at Kachujan, in 1961; it started out in the present premises of Senairam Higher Secondary School on 1st September, 1956. The college started as an Arts College initially at intermediate level but in the very next year Commerce stream was introduced. In 1957 itself the college was upgraded to Degree level. The year 1964 has a special significance in the annals of Tinsukia College when Science stream was also added making it a full-fledged Degree college. For an educational institution to rise to this level within a span of eight years of its inception is a feat in itself. Till 1964, courses were conducted under the auspices of Gauhati University but with the establishment of Dibrugarh University in 1965, the college was brought under its jurisdiction. Until 1961 this institution was run by the benevolent contributions of the public, but in 1962 it was accorded the status of "Deficit-in-aid" college enabling the college to receive financial grant from the Govt. of Assam. Later on in 1969, with the recognition of the University Grants Commission, New Delhi, the college became eligible for receipt of planned financial assistance for development schemes. Later the Govt. of Assam took a historic decision to provincialise all deficit grant-in-aid colleges w.e.f. 1st December 2005 and subsequently Tinsukia College enjoys the status of Provincialised College.

The college made a gradual growth on the merit of its students, the dedication of teachers and the vision of the principals. An institution which initiated its academic endeavour with handful students and four faculty members now has grown into a huge family with an enrolment of more than 3500 students and a teaching fraternity with almost 80 members contributing to the growth of this premier institution of higher education. This Co-ed institution has been imparting education both at Higher Secondary & Degree levels in 5 faculties of Arts, Science, Commerce, Management and Computer Science. Currently the college has altogether 19 departments, viz. **Assamese, Bengali, Botany, Chemistry, Commerce, Computer Science, Economics, English, Education, Geography, Hindi, History, Mathematics, Philosophy, Physics, Political Science, Sociology, Statistics and Zoology**. Besides, it provides two professional degree courses, viz, Bachelor of Business Administration (**BBA**) and Bachelor of Computer Application (**BCA**). The college has a study centre of Krishna Kanta Handiqui State Open University under which several UG and PG courses are offered.

INFRASTRUCTURE

The college has following Physical Infrastructure facilities:

Tinsukia College Central Library : The college has a central library with a stock of approximately 50000 Books including some rare publications. Besides reference books, there are a good number of Journals and Periodicals in different disciplines of Arts, Commerce, Science, General Knowledge *etc.*

Girls' Hostel: The College has a girls' hostel attached to the college campus. It is a well furnished hostel with all basic facilities. The boarding capacity of the hostel is 124 and total number of vacant seats will be available after giving accommodation to old bonafide students. SECTION 05

Courses, Registration, Attendance, Examination, Evaluation etc.

A. Attendance:

- i. The Course Teacher shall be responsible for maintaining a record of attendance of students who have enrolled for the course.
- ii. All Course Teachers of college/institutions shall intimate the Principal/ Director of a college/ Institute through the Head of the Department concerned at least thirty calendar days before the last instruction day in the semester, the particulars of all students who

have less than 80% of attendance during the total number of class days. In case of University Departments/Centre for Studies all course teachers shall intimate the Head of the Department/Chairperson of the Centre for Studies concerned at least thirty calendar days before the last instruction day in the semester, the particulars of all students who have less than 80% of attendance during the total number of class days.

- iii. A student who has less than 80% attendance in average shall not be permitted to sit for the End-semester examination. However, that it shall be open to the University to grant exemption to a student who has attended a minimum of 70% classes but failed to obtain the prescribed 80% attendance for valid reasons, on recommendation of the Head/Chairperson/ Principals of the Department/Centre/College on payment of a prescribed fee(s). The Head of the Departments/Chairperson of the Centre for Studies/Principals of the Colleges shall announce the names of all students who shall not be eligible to take the End semester examinations in the various Programmes and send a copy of the same to the Controller of Examinations. Such candidates shall have to repeat the concerned Course(s) when it is offered next.
- iv. A student declared as dis-collegiate shall not be allowed to proceed to the next higher Semester. He/she shall need to pursue the Semester afresh in which he/she was declared as discollegiate along with the next fresh batch.

B. *Examination and Evaluation:*

- a) Examination and evaluation shall be done on a continuous basis, at least two times during a Semester including the End Semester Examination.
- b) There shall be 20% marks for in-semester assessment and 80% marks for End-semester examination in each course during every semester.
- c) There shall be no provision for re-evaluation of the answer-scripts of the end-semester examinations. However, a candidate may apply for re- scrutiny.
- d) **In-semester Assessment:**
 - i. In in-semester assessment, different tools such as objective tests, written tests, assignments, paper presentation, laboratory work, etc. suitable to the courses may be employed.
 - ii. The students shall be informed in advance about the nature of assessment. Students shall be required to compulsorily attend in-semester assessment including appearing the sessional tests, failing which they will not be allowed to appear for the End-semester examination. A Student cannot repeat In-semester examinations. The Department/Centre for Studies may arrange

special in-semester examination whenever necessary.

e) End Semester Examination:

- i. There shall be one End semester examination carrying 80% Marks in each course of a Semester covering the entire syllabus prescribed for the Course. The End semester examination is normally a written/laboratory-based examination/Project Work/Dissertation.
- ii. The Controller of Examinations shall make necessary arrangements for notifying the dates of the End semester examinations and other procedures as per Dibrugarh University Rules (at least 20 days in advance) and the Academic Calendar notified by the University.
- iii. The time given for End-semester examination for each Course shall be based on the credits/marks of the course.
- iv. Emphasis needs to be given on problem solving, application level questions as prescribed by National Education Policy, 2020. The question paper should include different forms of question.

C. Results and Progression:

- a. A candidate shall be declared as passed a Programme, provided he/she secures
 - i. At least 30% of marks in each Course in the End Semester Examinations combining both theory and practical examinations
 - ii. At least 'P' grade in the 10 point scale combining both the in-semester and End Semester Examination performance.
 - iii. There shall be no separate pass mark for In-semester Assessment.
- b. A candidate shall be declared as passed a semester/programme, provided he/ she secures at least 'P' grade in the 10 point scale (given in clause) in all the Courses separately.
- c. There may be moderation of In-semester Assessment marks/End Semester marks as and when necessary.
- d. The marks of In-semester examinations obtained by the candidate shall be carried over for declaring any result.
- e. A candidate who fails or does not appear in one or more Courses of any end semester examinations up to fifth Semester shall be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carryover course in the next regular examinations of those courses. If a candidate fails in any of the components (either theory or practical) of a course the candidate

shall have to reappear in the examination for both the components.

f. If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of the previous semesters.

g. A candidate who fails or does not appear in one or more courses of seventh semester examinations shall be provisionally promoted to the eighth semester with the failed course as carry over course(s). If a candidate clears the eighth semester examination before clearing all the courses of the seventh semesters, the result of the eighth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of the previous semester.

h. A student must clear all his/her Semester Examinations within six (6) years for three year undergraduate programme and seven years for four year undergraduate programme (with honours/research) from the dates of admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student.

i. Since the Semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in this system.

j. A candidate shall be declared to have passed provided he/she has passed all the Semesters and in all the Courses separately for the concerned programme.

k. The Controller of Examinations shall declare the results of different programmes and issue Grade-sheets. The merit list shall be prepared only for the regular candidates and it does not include the backlog candidates.

l. The first rank holder of a programme shall be decided on the basis of the CGPA. However, the Overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA.

m. Results of the candidates appeared in the Betterment or Backlog Examinations shall not be counted for the award of Prizes/Medals, Rank or Distinction.

D. Grading System:

a. The absolute grading system shall be applied in evaluating performance of the 21 students.

b. The following scale of grading system shall be applied to indicate the performances of students in terms of letter grade and grade points as given below:

Letter Grade with meaning	Grade Point
---------------------------	-------------

O	Outstanding	10 (Marks securing 90% and above)
A+	Excellent	9(Marks securing 80%-90%)
A	Very Good	8(Marks securing 70%-80%)
B+	Good	7(Marks securing 60%-70%)
B	Above Average	6(Marks securing 50%-60%)
C	Average	5 (Marks securing 40%-50%)
P	Pass	4(Marks securing 30%-40%)
F	Fail	0
Ab	Absent	0

*Exclusive Class Interval technique shall be followed in calculation of Grade Point.

a. Computation of SGPA and CGPA: The procedure to compute the SGPA and CGPA are given below

- i. The SGPA is the ratio of the sum of the products of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits off all the courses undergone by a student.

$$SGPA(S_i) = \frac{\sum C_i G_i}{\sum C_i}$$

Where C_i is the number of credit of the i th course and G_i is the grade point scored by the student in the i th course.

Example for computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit X Grade)
I	Major (Core)	4	A	8	4X8=32
I	Minor	4	B+	7	4X7=28
I	GEC1	3	B	6	3X6=18
I	AEC (Language)	4	A+	9	4X9=36
I	Value Added Course I	2	A	8	2X8=16

I	Value Added Course II	2	A	8	2X8=16
I	SEC	3	B+	7	3X7=21
		22			167
SGPA					167/22=7.59

- i. The CGPA is also calculated in the same manner taking in to account all the courses undergone by a student over all the semesters of a programme.

$$CGPA(S_i) = \frac{\sum C_i S_i}{\sum C_i}$$

Semester I	Semester II	Semester III	Semester IV	Semester V	Semester VI
Credit:22 SGPA:7.59	Credit:22 SGPA:8.00	Credit:22 SGPA:7.6	Credit:22 SGPA:7.59	Credit:22 SGPA:8.00	Credit:22 SGPA:7.00
CGPA=(22X 7.59+ 22X 8.00+22X7.6+22X 7.59+22X 8.00+22X 7.00)/132= 7.63					

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.

- i. **Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10.
Percentage of marks = (CGPA X 10)
- ii. The Letter grade 'B+' and above shall be considered as First Class and Letter grade 'B' shall be considered as Second Class.
- iii. A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or 'Abs' (Absent/Incomplete).
- iv. If a candidate secures 'F' grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
- v. If a student secures 'F' grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.
- vi. 'Abs' grade shall be awarded to a candidate if he/she has not fulfilled the following requirements:
 1. If a candidate fails to appear in any Course(s) in an end semester examination.
 2. If a candidate fails to submit the project work/dissertation / assignment of an end semester examination.
 3. If a candidate is certified as not eligible to appear in any course(s) in an end semester examination by the Course Teacher(s) due to insufficient attendance in lectures, tutorials practical or fieldworks.
- vii. The candidates not appearing in a Semester Examination shall be considered as an 'Abs' candidate and that will be reflected in the Grade Sheet of the candidate. These candidates shall have to convert the 'Abs' grade by appearing in the next examination on the Course (provided he/ she has legitimate chance to appear the Course) concerned or by submitting project work/dissertation/ assignment etc.

Tinsukia College NSS Office, Auditorium Building, 1st floor

Since September 1, 1991, the College has operated a National Service Scheme (NSS) unit that has been authorised by Dibrugarh University. The NSS (National Service Scheme) unit of Tinsukia College is a vibrant and active wing that promotes community service and social responsibility among students. Through various programs like cleanliness drives, health camps, awareness rallies, and tree plantation, the unit fosters a spirit of volunteerism and civic duty. It regularly engages with local communities to address social issues and uplift underprivileged sections. The NSS volunteers of Tinsukia College are dedicated to the motto "**Not Me, But You,**" reflecting their commitment to selfless service. Their efforts contribute significantly to building a more conscious, responsible, and compassionate society.

The NSS (National Service Scheme) unit of Tinsukia College actively engages students in community service and social development. In February 2026, the unit organized a 7-day Annual Special Camp at Natun Rongagora ME School, involving 24 volunteers in activities like disaster preparedness drills, health camps, adult education sessions, and environmental conservation efforts. Participants received certificates recognizing their contributions, fostering a sense of achievement and civic responsibility. Through such initiatives, the NSS unit instils values of teamwork, leadership, and social awareness among students, aligning with its motto, "Not Me, But You".

The NSS unit enrolls 100 volunteers in total each year. To carry out certain tasks at the institution, these 100 volunteers have been split up into a number of groups, such as the Disaster Rescue Team, Massage Alarm Team, Discipline Maintaining Team, Medical Support Team, etc. In addition to the scheduled events and special campsites, the volunteers help the district authorities whenever they need it.

Department Profile

ARTS STREAM

1. Assamese

Among the other departments of Tinsukia College, the Department of Assamese is one of the crucial departments. The faculties of the department have been rendering their service whole heartedly and in a full fledged manner towards the students and to the institution as a whole. The students have succeeded in their own personal and innovative way under the guidance of the teachers in this department. They have not only succeeded in the world of language and literature, but have also gained substantial success in various other fields like Music, Dance, Art, Drama, Journalism etc.

Every year the students pass out with flying colours from this department, imprinting their footsteps in various renowned universities all across Assam, bringing honour to the department. Similarly, various students have also stepped into the world of media, also rendering their valuable services to the Dibrugarh Akashvani.

An integral part of this department is the ‘Assamese Literary Forum’. Under this forum various literary and cultural programmes, like Fresher’s Social ceremony, Rabha Divas, Teacher’s Day, world Mother Tongue Day and Farewell Ceremony is conducted every year.

Another most captivating part of this department is the departmental wall magazine, entitled ‘Monisha’. This wall magazine has thrown light on the various aspects of literature, and has paved the way for novelty, receiving its literary honour. The department has been

organizing various field trips and excursions for the students, to enrich them culturally and socially. It has also been housing a library, rich in various literary texts which have been helping the students in enriching their educational back-ground. Moreover, the faculties are always ready to help the students by contributing books to the library, providing them an easy access to it.

With this we hope that in the forthcoming days the students will gain benefit by enrolling themselves in the department, reading themselves to the path of success and enlightenment.
