Certificate

This certificate is a bonafide work performed by Master Amit Kumar Chutia, a very sincere and attentive student pursuing B.Sc. 4th Semester, BOTANY (Hons.) from a very reputed educational institution known to be TINSUKIA COLLEGE. The particular student has not only completed the required field study report successfully as a part of the syllabus as prescribed by the Dibrugarh University (for the academic session 2016-2017) under my keen guidance but has also gained extensive interest for the world of plants. He had followed all my instructions and also took interest in completing the report with his utmost sincerity.

I therefore, wish him all the Very Best for his coming future and hope that he could excel in his life in all fields of academic performances.
