Comment from the team of 'Skill yatra' regarding the Program organised in Tinsukia College : →

We would like to express our sincerest gratitude for allowing us to conduct Skill yatra Phase II in your campus. And it was our immense pleasure that we have got active participation from the students but the number was quite less. So it's our humble request to involve more students in the next session on 17th feb 2024. But we would mention that your students have many potential and skill which boost up the objective of our programme.
