ACKNOWLEDGEMENT

The project cannot be successfully completed without the help and support from various people.

At the very beginning I would like to acknowledge the kindness, support, and guidance to our respected ma'am **Dr. Rupali Gogoi(HOD), Department of Zoology, Tinsukia college** whose inspiration and active co-operation and guidance help me in the the completion of the project.

Secondly I would like to offer thanks to our department laboratory staff Mr. Dugubir Gohain who helped a lot in my project.

I extend my thanks to my classmates for their support and all sorts of help during the time of the project.

At last I would like to thank to all, who were directly or indirectly, provided support and inspiration which led to the smooth completion of the project .
