This work is a bonafide work performed by **Mandeep Kaur**, a very sincere and alternative student persuing **B.Sc 4th semester [MAJOR]** from a very reputed Educational Institution known to be **TINSUKIA COLLEGE**. The particular student has not only completed the required field study report successfully as a part of the syllabus as prescribed by the **DIBRUGARH UNIVERSITY** (for the academic session 2019) under my keen guidance but developed a deep sense of responsibility in the conservation of plants. She has followed all my instruction and took interest in completing the report with her utmost sincerity.
