ACKNOWLEDGEMENT

The project cannot be successfully completed without the help and support from various people.

At the very beginning I would like to acknowledge the kindness and proper guidance of our respected maam Dr. Rupali Gogoi , H.O.D. ,Department of Zoology ,Tinsukia College whose inspiration and active co-operation and guidance helped me in the successful completion of project.

Secondly I would like to offer my thanks to our neighbours that helped us a lot during my study for the project.

I extends my thanks to my project mates Nomi Gogoi, and Pamela Chakarborty for their support and all sorts to help during the time of project working.

At last I would like to thank all of them who directly or indirectly provided me a source of inspiration which led to the smooth completion of the project.
