## CERTIFICATE

This certificate is a bonafide performed by MD. AMANULLAH SHAH, a very sincere and attentive student pursuing B.Sc. 4<sup>th</sup> semester, Botany (Hons.) from a very reputed educational institution known to be TINSUKIA COLLEGE. The particular student has not only completed the required field study report successfully as a part of the syllabus as prescribed by the Dibrugarh University (for the academic session 2016-17) under my keen guidance but has developed a deep sense of responsibility in the conservation of plants. He had followed all my instructions and took interest completing the report with his utmost sincerity.

I therefore wish her all the very best for his upcoming future and hope that she could excel in her life in all fields of academic performance.
