CERTIFICATE

This certificate is a bonafide work performed by NEELOM RAJPUT, a very sincere and attentive student pursuing B.Sc 4th semester, Botany (Major) from a very reputed educational institution known to be TINSUKIA COLLEGE. The particular student has not only completed the required field study report successfully as a part of the syllabus as prescribed by the DIBRUGARH UNIVERSITY (for the academic session 2019) under my keen guidance but developed a deep sense of responsibility in the conversation of plants. She has followed all my instruction and took interest in completing the report with her utmost sincerity.

I therefore wish her all the very best for her coming future and hope that she could excel in her life in all fields of academic session.
