Tinsukia College

Dr. Rupali Gogoi,  
Head of the department,  
Department of zoology,  
Tinsukia college.

TO WHOM IT MAY CONCERN.

I would be really happy to certify that Miss Pamela Chakrabarty, Roll no.: 19620159, Redg. No.: 51523008, of B.Sc. 6th semester student, session 2017-18, prepared her project report titled, "Preservation and its techniques used now and then", under my guidance.

She has fulfilled all the requirements of B.Sc. curriculum under Dibrugarh University and this report is of her own investigation and interview with different people.

Neither the whole nor any part of this report has been submitted to any other institution/university related to a similar requirement.

I wish her success in life.

Dr. Rupali Gogoi,  
Head of the department,  
Department of zoology,  
Tinsukia College,  
Tinsukia

— Head  
Department of Zoology
