Tinsukia College — A Profile

The inception of Tinsukia College in the year 1956 was the result of the strenuous efforts of late B.K. Saraswatji who mobilised all required resources with the help of like minded citizens of Tinsukia, a part of the then Lakhimpur District to give rise to this great institution. Without their support and patronage, the college would never have come into being. Before the college came to be located in the present premises at Kachujan, in 1961; it started out in the present premises of Senairam Higher Secondary School on 1st September 1956. The college was started as an Arts college initially at Intermediate level but in the very next year Commerce stream was also introduced. In 1957 itself the college was upgraded to Degree level. The year 1964 has a special significance in the annals of Tinsukia College when Science stream was also added making it a full-fledged multi-faculty Degree college. For an institution to rise to this level within 8 years of its inception is a feat in itself. By 1964, the college conducted courses under the auspices of Gauhati University but after establishment of Dibrugarh University in 1965, it was brought into the jurisdiction of the said University. The college had been running on public contributions and generous donations from philanthropists till 1961; but in 1962 the college was accorded the status of "Deficit Grant-in-Aid" college which enabled it to receive financial grants from the Govt. of Assam. Later on in 1969, the college was recognised by the University Grants Commission, New Delhi which resulted into receipt of planned financial assistance from UGC for various development schemes. Few years back, the Govt. of Assam took a historic decision to provincialise all deficit grant-in-aid colleges w.e.f. 1st December 2005, the college enjoys the status of 'Provincialised College'.

The college grew from strength to strength on the merit of its students, the dedication of its teachers & the vision of the principals. An institution which began its academic endeavour with handful students and four faculties; has currently a student enrollment of more than 2,500 & permanent and contractual faculty strength of more than 80. This Co-ed institution has been imparting education both at Higher Secondary & Degree levels in 5 faculties of Arts, Science, Commerce, Management and Computer Science. It has altogether 17 Regular teaching departments and 2 professional degree and a number of certificate courses with Krisnakanta Handique State Open University Study Centre offering a wide range of choice to students. Such regular departments affiliated to Dibrugarh University are :-

ARTS

- 1) Department of English,
- 2) Department of Assamese
- 3) Department of Hindi
- 4) Department of Bengali
- 5) Department of Economics
- 6) Department of Political Science
- 7) Department of Philosophy
- 8) Department of History
- 9) Department of Geography

SCIENCE

- 10) Department of Physics
- 11) Department of Mathematics
- 12) Department of Botany
- 13) Department of Zoology
- 14) Department of Chemistry
- 15) Department of Computer Science
- 16) Department of Statistics

COMMERCE

- 17) Department of Commerce

Professional Degree Courses :- 1] BBA (Management) 2] BCA (Computer Application)
Distance Education (KKHSOU):- BPP, BA, B.Com., BCA, M.A., MSW, D.El.Ed. under KKHSOU.

The college has an infrastructure built on a sprawling campus covering an area of about 18 bighas. The facilities includes a big library, well stocked with Books & Journals, Photocopiers, Computers, Well equipped laboratories, Girls' hostel, Career Information and Guidance Cell, Media Centre, a Canteen, Canopy etc. As per the recommendations of NAAC an "Internal Quality Assurance Cell" has also been established to improve the quality of education and support services offered by the college to its stake holders.

In response to the evolving needs of the students and economy for market oriented professional courses, the college has initiated necessary steps to start professional academic programmes. As a result in 2005 the college managed to establish the 'Centre for Management Education' to launch 3 years BBA course under Dibrugarh University. The BCA course has also been started under Dibrugarh University, since 2009.

The college has produced illustrious alumni who have occupied distinguished positions in various spheres and are eloquent testimony to the caliber of education imparted by this college. They are eminent Scientists, Industrialists, Academicians, Politicians, Corporate heads, Doctors, Engineers, Chartered Accountants, Lawyers, Writers, Artists and Performing artistes. The college has a permanent alumni association which has initiated several steps for the all round development of the college. Notable among them is the construction of the biggest auditorium in Upper Assam and contributions to some other valuable things, etc.

Since the demand for quality education is growing leaps & bounds, there is an urgent necessity to upgrade the present infrastructure of the college. Sensing the winds of change, the Governing Body of the college has constructed the state-of-the-art library building. The college has a vibrant study centre for Krishna Kanta Handiqui State Open University with a huge number of learners offering 3 (Three) years Degree courses of BA, B.COM, BBA, BCA, BMC with BPP (12 months) and M.A. in Pol. Science, English, Sociology & Assamese, MSW and D.El.Ed. for drop outs, employees, house-wives or students of regular College courses and TET teachers. A new Girls' Hostel building is under process of construction. DST-FIST project was done for Science Departments with its equipment and support aid to laboratories for worth of Rs. 50 lacs. Science departments are upgraded with modern equipments. New efforts are given to develop and extend the infrastructure in every sphere of the college.

Long Live Tinsukia College

SECTION FIVE

Graduate Programme in Professional Courses

A) Bachelor of Business Administration (BBA)

Back-ground : The times are changing and so are the economics as well. Like elsewhere in the world, the commercial history of India is also replete with major changes and challenges from time to time. As such the changing commercial scenario of the country necessitates the need for changes in commerce education to create suitable man power in the country. In sense the change in commerce education has become sinequonen with changes in the commercial scenario of the country. It is this realization mainly which ventured the department of commerce to establish 'Centre for Management Education' in the year 2005 to initiate professional courses at under graduate level and the Centre launched its BBA Programme from the academic Session 2005-2006.

The three year BBA programme is based on contemporary theory and practices and provides a strong conceptual foundation in the various areas of Management, Commerce and Industry with its thrust on imparting knowledge and skill. The BBA Programme will be highly suitable for budding aspirants who want a professional qualification to improve their career prospects. However the pursuit of the BBA programme demands intellectual maturity, strength of purpose and willingness to work hard. For those endowed with inquisitive minds and the drive to succeed. The BBA Programme would be a voyage of discovery.

Aims and Objectives : To empower our students to recognize and optimize their full potential; by fostering a family environment where educational, social, cultural, ethical and emotional needs are addressed through a holistic program, offered with the partnership afforded by staff, students and community at large to provide world class education.

All you have to do is nowhere you are going. — Earl Nightingale.

Amenities and Activities :

Student Forum : The student Forum, established and supported by the college offers the students an opportunity to discover and develop their hidden talents through an array of student clubs. The clubs are governed through committees comprising students and headed by faculty members. The student committees are responsible for organizing activities. The clubs are well supported both organizationally and financially by the college and special care is given to the clubs to maintain their activity and enthusiasm level.

Personality Development Club : Social and business etiquette, work culture and time management and social and inter-personal skills are key elements of an impressive personality. The personality development club activities are centred around developing these aspects through innovative games and programmes.

Computer and Advance Technology Club : In today's technology-oriented society, it is imperative that students, no matter what their discipline, are exposed to and are made aware of computer and related technologies.. This prepares them to meet the challenges and requirements of industry. Club activities include training programs in advanced courses such as windows, MS Office, VB, NET, SQL Server, Java apart from technology awareness sessions, seminars and visits to trade fairs.

Sports Club : Sports, outdoor and adventure activities are more than just play. They play a critical role in the shaping of a winning personality by instilling a spirit of adventure, teamwork and appreciation of nature and the outdoors. The Sports Club promotes the interest of the students in these areas and arranges for outdoor adventure programmes, camps and sports tournaments.

Business Club : The Business Club is oriented towards giving students an exposure and insight into the real world through visits to factories, offices, industries, etc.

Literary and Cultural Club : This club aims to sharpen and enhance the knowledge of the students and provide opportunities to improve their outlook towards life and services as a forum for literary activities, discussions, debates and review sessions.

Student Development Programme :

Toastmasters club membership a global Programme to enhance oratorical skills.

Soft skills and personality development programmes.
