CERTIFICATE

This certificate is a bonafide work performed by Miss Rupali Kumari, a very sincere and attentive student pursuing B.Sc. 4th Semester, BOTANY (Hons.) from a very reputed educational institution known to be TINSUKIA COLLEGE. The particular student has not only completed the required field study report successfully as a part of the syllabus as prescribed by the Dibrugarh University (for the academic session 2021-2022) under my keen guidance but has also gained extensive interest for the world of plants. He had followed all my instructions and also took interest in completing the report with his utmost sincerity.
