Dept.of Zoology
Tinsukia College.

Date:- 30.05.2018

ACKNOWLEDGEMENT

The project cannot be successfully completed without the help and support from various people.

At the very beginning I would like to acknowledge the kindness and proper guidance of our respected Sir Anjan Borthakur, Associate Professor, Department of zoology, Tinsukia College whose inspiration and active co-operation and guidance helped me in the successful completion of project.

Secondly I would like to offer my thanks to our department laboratory staff Mr. Dugubir Gohain that helped us a lot during my study for the project.

I extend my thanks to my project mates Rupankar and minakshee for their support and all sorts of help during the time of project wrking.

At last I would also like to thank all of them who directly or indirectly provided me a source of inspiration which led to the smooth completion of the project.
