### AKNOWLEDGEMENT

I take this opportunity to express my profound gratitude and deep regards to my guide Prof. Upasana Phukan for her exemplary guidance, monitoring and constant encouragement throughout the project. The blessing, help and guidance given by her time to time shall carry me a long way in the journey of life on which I am about to embark.

I also take this opportunity to express a deep sense of gratitude to Dr. Rupali Gogoi ( HOD of department of Zoology, Tinsukia college ) for her support , valuable information and guidance, which helped me in completing this project in various stages.

I am obliged to my friends for the valuable information provided by them in the project. I am grateful for their cooperation during the period of my experiment.

Reeta Buragohain.
