# CERTIFICATE

This certificate is a bonafide one performed by **RIMI DEKA**, a sincere and an attentive student pursuing BSc 4<sup>th</sup> semester, Botany (Major) from a very reputed educational institution known to be **Tinsukia College**. The particular student has not only performed the required field study report successfully as prescribed by the Dibrugarh University (for academic session of 2023) under my keen guidance but developed a deep sense of responsibility in the conservation of plants. She has followed all my instructions and took interest for completing the report with utmost sincerity.

I therefore wish her all for her upcoming future and hope that she could excel in her life in all academic sessions.
