ACKNOWLEDGEMENT

I wish to express my deep gratitude and sincere thanks to our teacher, Mrs. Joyluxmee Dutta for her invaluable guidance, constant encouragement, constructive comments, sympathetic attitude and immense motivation which has sustained my efforts at all stages of this project. Her valuable advice and suggestions for the correction, modification and improvement did enhance the perfection in performing my job well.

I would also like to thank all the teachers of zoology department and Dugubir Gohain, lab assistant for his whole hearted co-operation and guidance and also my friends who as well has given in equal effort helping me in the completion of the project. I sincerely appreciate this magnanimity by taking us into such varsity of experience, learning and handling the project well.
