Certificate

This certificate is a bonafide one performed by Shankho Mazumder, a sincere and an attentive student pursuing B.Sc. 4th Semester, Botany Honours from a very reputed educational institution known to be Tinsukia College.

The particular student has not only performed the required field study report successfully as prescribed by the Dibrugarh University (for academic session of 2023) under my keen guidance but developed a deep sense of responsibility in the conservation of plants. He has followed all my instructions and took interest for completing the report with utmost sincerity.

I therefore wish him all for his upcoming future and hope that he could excel in his life in all academic sessions.
