# CERTIFICATE

This certificate is a bonafide work performed by Master Suraj Konwar, a very sincere and attentive student pursuing B.Sc. 4<sup>th</sup> Semester, BOTANY (Hons.) from a very reputed educational institution known to be TINSUKIA COLLEGE. The particular student has not only completed the required field study report successfully as a part of the syllabus as prescribed by the Jorhagarh University (for the academic session 2016-2017) under my keen guidance but has also developed a deep sense of responsibility in the conservation of plants. He had followed all my instructions and took interest completing the report with his utmost sincerity.

I therefore, wish him all the Very Best for his coming future and hope that he could excel in his life in all fields of academic performances.
