Department of Physics Tinsukia College in association with The Centre of Plasma Physics-IPR, Guwahati had organized a “One Day Workshop on Popularization of Plasma Physics” on 23rd June 2022. The workshop was planned to provide a hands on experience to our students with basic Plasma devices for plasma diagnostic and application. Three plasma physics experts **Dr. S. S. Kaushik -Scientist E, Dr. R Moulick- Scientist D and Dr. N. Aoama- Scientist D** of CPP-IPR had delivered their talks on both theory and experiments of Plasma Physics. Our students were really boosted with the interaction with the experts.
