Report of Workshop on “Basic Understanding of Science”

A Workshop on “*Basic Understanding of Science*” was organized by Department of Chemistry, Tinsukia College on 08.05.2023. The objective of the workshop was to popularize the basic science amongst school students. The Resource Persons of the workshop were Dr. Pankaj Saikia, Assistant Professor, Department of Chemistry, Tinsukia College and Dr. Biplab Banik, Assistant Professor, Department of Chemistry, Tinsukia College. Dr. Saikia delivered the talk on periodic classification of elements and Dr. Banik delivered the talk on acids, bases, salts and different types of chemical reactions. The workshop was inaugurated by Dr. Surjya Chutia, Principal, Tinsukia College. The objective of the workshop was briefly explained by Prof. Monika Devi, Head, Department of Chemistry, Tinsukia College. A total of 74 students of Saumarjyoti Vidyalaya, Tinsukia participated in the workshop. Practical demonstrations based on the course were also imparted to the students.
