ACKNOWLEDGMENT

The project contains the detailed information of the given topic of "Rural Dairy Farmer Empowerment". This study was held as a part of the TDC 6th semester curriculum of Dibrugarh University.

I am thankful to each and every person involved in this project , this project is the outcome of combined effort of many individuals directly or indirectly .

I humbly render my sincere thanks to Dr. Rupali Gogoi ma'am ; head of the department of zoology , my project guide Assistant professor Mr. Anwar Hussain sir and all the teachers for giving me the great opportunity to do this wonderful project which gave me the huge knowledge about dairy farming.

Secondly , I would like to thanks my project partner Dipu Sah for being a good companion during the course of the project.

I would also like to thanks the owner of gausala , and all the persons of cattle farming for providing us all the required information about the dairy farming and its socio- economic importance .

Lastly , I also render my humble thanks my parents, my all my friends and each and every person involved in this project . I sincerely thanks to all of you for your proper guidenece.
